Applicants' petition filed June 5, 2001 requesting consideration of the references submitted by Applicants on February 20, 2001 has been considered. Since the Information Disclosure Statement was filed February 20, 2001 before the first Office action was mailed out on March 9, 2001, a petition and fee was not necessary for consideration of the Information Disclosure Statement.

The Information Disclosure Statement of February 20, 2001 has been fully considered by the examiner and a copy of the PTO-1449 is attached. The fee for the petition, which was charged to Deposit Account No. 15-0030, has been credited back to the account.
